Wear Green for Glitch on World PANS PANDAS Awareness Day - Friday 9 October 2026

On Friday 9th October, our workplace will be taking part in Wear Green for Glitch, an awareness and fundraising campaign co-ordinated by the charity PANS PANDAS UK. The campaign aims to raise awareness and understanding of PANS and PANDAS, little known medical conditions that can have a significant impact on a child or young person's daily life, wellbeing and education.

Everyone is invited to wear something green on the day. As part of the campaign, you can learn about these conditions through Glitch, a panda with PANS. Glitch was created by PANS PANDAS UK Youth Board to help others understand what it can feel like to live with PANS or PANDAS.

Participation is entirely voluntary, and we would ask anyone who wish to support the campaign to make a small voluntary donation to the charity. Funds raised will support the work of PANS PANDAS UK, the only UK wide charity supporting children, young people and families affected by PANS and PANDAS.
